

Parkers launch amazing trade discounts

BACK TO BASICS... FOR UNDER £10

Parker Building Supplies have always had an eye for value for money, but in these days of tightened belts and new Labour's favourite breakfast cereal (Credit Crunch) we've introduced some new discount offers to save you even more money.

We've introduced a range of great deals under our 'Back to Basics' banner and we've made our contribution to keeping inflation down by slashing prices on such products as MDF and OSB Panels; Softwood Door Lining Sets; Underground Double Spigot Pipe, Hexdrain Channels and Manhole Covers (oops, sorry Inspection Covers !); Ronseal Fencilife; Evo-Bond PVA and much more besides.

We'll be introducing even more of these great deals in the near future so keep your eyes peeled for more news soon !

If you haven't already received your copy of our BACK TO BASICS brochure, call us at any of the branches listed below for more details and ask them post you a copy today!
