

Parkers feature at the Tonbridge Garden and Home Show

EXHIBITING OUR GREEN AGENDA IN TONBRIDGE

Over the past fifteen years the Tonbridge Garden and Home Show has become an integral part of cultural life in Kent and this year's May Bank Holiday promises to be the best yet. That's why Parker Building Supplies continues to support the event by exhibiting a wide range of our products.

The event showcases the world of gardening and all that is best for the home, with plenty to choose from for both trade and DIY visitors, as well as offering a great day out for the whole family ... plus a chance to enjoy the beauty and history of Tonbridge village life.

The show features a range of entertainment and stalls such as arts, crafts, food, gardening equipment and plants. It runs from Saturday 2nd to Bank Holiday Monday 4th May and is open from 9.30am to 5.30pm each day. The cost of adult admission is just £4 and Children of 15 years and under are free.

Escalating costs and the stresses of the administration required to put on the show almost put paid to the event but the organising founder Susan Adams has handed over the reins to Jane Sterck, a full-time events manager from Sussex. "I'm very pleased the show will continue," said Mrs Adams. "Anything which attracts 15,000 tourists to the town has to be a good thing." And Mrs Sterck added that "so many local businesses rely on the event as part of their income for the year."

The new organiser added that she would be bringing several new stalls including an old-fashioned sweet seller and a blacksmith who makes wrought iron furniture. "It's a bit like coming home," Mrs Sterck said. "I grew up in Kent and my mum used to take me as a treat to Tonbridge for lunch and shopping. We're planning to take the show from strength to strength and really get to know local businesses."

We very much hope that our customers will continue to support the show and to visit the Parkers stand where we will be displaying a wide range of our products, from garden tools and landscaping materials and equipment to a number of items from our kitchen and joinery centres.

Parkers are delighted to continue to support the show. We look forward to seeing you there.
