

Parker Building Supplies welcomes new customers

# COMING TO A TOWN NEAR YOU...

If you are reading this you might well be a brand new customer following up on a leaflet which should recently have dropped through your letterbox.

In this tough economic climate we aim to keep our existing customers loyal not just by cutting prices but by providing a high quality of customer service and product advice. But we also wanted to let new customers know about our well deserved reputation for great service and support ... and offer some great prices into the bargain.

So look out for our leaflet drop which is personalised with the ruggedly handsome face of your local branch manager. And if you haven't received one (or you want to collect the full set !) call us on 01825 748400 and we'll post you a copy today.
