

Parker Building Supplies' Winter newsletter now available

HAVE WE GOT NEWS FOR YOU !

Parker's ever popular seasonal newsletter Winter '09 edition is now available, and, as ever, it's full of interesting articles and special offers, designed to give our customers some interesting reading during the horrid cold, dark nights ahead !

We report on the good news that, for the fourth year in a row Parker Building Supplies have been recognised by the selection committee of the Builders Merchants Awards for Excellence. At the glitzy Royal Lancaster Hotel ceremony in late November we received Runners-Up Awards for both our websites and for our many unique marketing initiatives.

We also focus on the stunning transformations that Parker's Tonbridge Paving Centre have achieved for a number of customers, and Parker Kitchens' successful trip to Brittany to design and install a kitchen for one particular customer.

The sad tale of the 5th Burgess Hill Scouts' meeting hall being seriously damaged in an arson attack is covered. Our Haywards Heath branch, along with other local businesses, came to their rescue by offering free materials, enabling the rebuilding process to get under way almost immediately. The new hut should be available for their use early in this new year.

There are a number of Special Offers in the newsletter which will be available until the end of January, so don't miss out. You can either order them from any of the branches listed below or on-line via this website.

Make sure you don't miss out on the latest Parker Newsletter. It's a great way for us to keep in touch with our customers !
