## DECORATIVE BARK BULK BAGS

Parkers' top quality ornamental bark is a natural, highly durable product ideal for flower beds and borders in any domestic or commercial environment.

It's appealing appearance and shape makes it ideal for beds and borders in any garden. But bark is also extremely practical, and is commonly used to inhibit weeds, improve moisture retention and even act as insulation for plant roots in the winter, protecting flowerbeds from frost and drought.

Parkers Ornamental Bark is clean and easy to use, highly cost effective. This deluxe quality, long lasting pine bark is also ideal for mulching decorative beds, borders, tubs, pots and planters. Spread to a depth of around 50mm (2") and allowed to settle, one 75 litre bulk bag will cover an area of approx. 1.50 square metres.
