

Rowlinson Garden Products now available at Parkers

GREAT IDEAS FOR THE GREAT OUTDOORS

Parkers' ever expanding range of hard landscaping and garden products is now made even more exciting by the introduction of Rowlinsons' superior selection of garden solutions which are as practical as they are decorative.

The company's product range has been recently expanded and now encompasses everything from Arbours and Gazebos to Sheds and Summer Houses, plus a big choice of Decking.

Rowlinson attractive and stylish arbours, available in many shapes and sizes, are popular features which will enhance any garden.

Likewise, their superbly designed summerhouses provide the ideal space to relax and enjoy the great outdoors with a large expanse of windows allowing light to enter, creating a bright and airy interior. Rowlinsons sheds provide the ideal storage solutions and are now available with glazed 'pot and grow' greenhouse sections.

Rowlinson decking and extension kits are supplied pre-cut with full assembly instructions ready to transform any garden area, creating a unique space for you to relax and enjoy.

SUSTAINABLE MATERIALS

Rowlinson Garden Products are manufactured to the highest standards using the finest materials available, but significantly the company takes its environmental responsibilities seriously. As a result they only use timber which is fully compliant with the Forest Stewardship Council's strict sourcing regulations.
