

## GREAT HOME IMPROVEMENT OFFERS FROM PARKER BUILDING SUPPLIES

Parker Building Supplies new Home Improvement brochure is now available, featuring a range of products for the professional and keen DIY enthusiast including ...

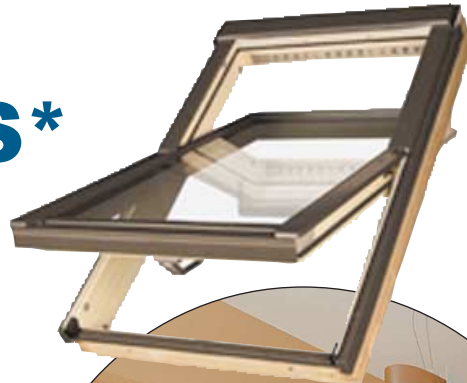

# BIG SAVING ON ROOF WINDOWS\*

\* *great views included*

We are currently offering Fakro FTP-V Roof Windows in sizes 1 to 5 at prices well below our list prices. Purchases of 3 or more units can save you a massive 25%.

These thermally efficient roof windows provide air circulation, ensure fresh airflow, helping you to stay warm in the winter and cool in the summer as well as reducing condensation.

Particularly recommended for those rooms where windows are installed at height and out of easy reach, and suitable for roofs with pitches between 15° and 90° (complete with flashing).

up to  
**25%**  
off list price

FTP-V windows are manufactured in pine, vacuum impregnated and coated with acrylic lacquer

Handle positioned on lower part of the sash for easy operation, and secured open in two positions

Centre pivot allows sash to be opened in a range of positions

Sash can be rotated through 180° and locked, allowing easy and safe cleaning of the outer pane to be carried out

Call your local branch for your copy of our Home Improvement newspaper

All prices are subject to VAT @ 15%. Offers are subject to availability of stock. E and OE. Copyright Parker Building Supplies 2009. Offers available from all branches and valid until 31st October 2009
