

PRESS RELEASE

Members of staff at Parker Building Supplies have had a busy few months raising money for various worthy causes.

Three members of the Head Office team Chris Noel, Grahame Combs and Daniel Cottell took part in the South Downs 31 mile Bike Challenge and raised £600 for Cancer Research UK.

All staff took part in the Breast Cancer Campaign 'Wear it Pink' day. Customers were also encouraged to don pink hair gel and over £350 was collected on the day, which was aided by Company Sales Manager, Byron Danahay's sponsored parachute jump!

Earlier in the year a further £1500 was raised, with the help of some generous contributions from suppliers and manufacturers, for the Children's Charity 'Get Kids Going' when Financial Director Stewart Pierce ran the London Marathon.

Message to editors, further details can be obtained from Stewart Pierce on 01825 748401 or email stewartp@parkerbs.com
