

Parkers launch new discount catalogue

# BIG DEALS FOR ALL OUR CUSTOMERS

Look out for **BIG DEALS**, Parker Building Supplies' latest product catalogue which could be dropping through your letterbox any day now.

We are best known for providing a high quality of customer service and product advice, and less so for being price cutters, although we have always endeavoured to supply the best quality goods at the lowest possible prices. However, in this tough economic climate we wanted you to know that we are doing our best to make sure that customers old and new can not only appreciate our great service and support, but also some amazing discount prices.

From OSB3 Boards and CLS Timber to real wood engineered flooring from the artisans at Spectrim, from superior quality Peak Riven Paving Slabs and Ibstock Farmhouse Bricks to Door Lining Sets and Fakro Roof Windows, this catalogue has some excellent bargains on offer.

There's also a garden section featuring Spear & Jackson tools, fencing panels and a even a traditional British wheelbarrow for you to carry home all your bargains (and all the money you've saved !).

**If you haven't got your copy yet, don't miss out. Give us a call on 01825 761661 and we'll post you a copy today.**
