

Parkers supports scout troop celebrating centenary

HERE'S TO THE NEXT 100 YEARS...

The 1st Crowborough Scouts recently welcomed members past and present, including some from overseas, to an event to celebrate an astonishing centenary for the country's third largest troop.

Despite the persistent rain, over 150 people attended the birthday party and ate the entire supply of Scout leader John Easton's home made burgers and an impressive cake supplied by the local Jarvis Brook Bakery. Everybody, including five Scout leaders from a group in Maarssen in the Netherlands, had an excellent time.

To further their international links, the troop is planning a trip to Macau, Hong Kong, Beijing and the Great Wall of China next year. Although Parkers don't directly fund the Scouts we are proud to supply a range of useful equipment and products such as timber for furnishings, sturdy rope for walkways and a number of raffle prizes, all of which helps them to make a tight budget go a little further.

**Congratulations to 1st Crowborough Scouts,
and here's to the next centenary !**
